

Greetings!

I am pleased to announce that the College of Arts & Sciences, the Department of Earth & Ocean Sciences, and the Earth Sciences and Resources Institute (ESRI) are hosting a reception for our alumni and friends in conjunction with the AAPG meeting in Houston

Mary Anne Fitzpatrick, our Dean of the College of Arts & Sciences, is hosting this event.

Please come and meet the Dean and enjoy the company of your fellow alumni!

The details:

Who: South Carolina Alumni & Friends

What: Reception with light snacks and non-alcoholic drinks provided plus a Cash Bar

When: Monday, April 7th from 5:30-7:30pm

Where: The Hilton Americas Hotel, Room 338.

Why: Meet old and new friends, including Dean Fitzpatrick, some current departmental faculty, students, and ESRI folks!

The Hilton Americas is the hotel adjacent to the convention center, connected by sky bridges. There will be room information on the monitors should you forget, just look for the South Carolina reception. You do not have to be registered for the meeting to attend the reception!

If you even *think* you might come, it would be helpful if you did RSVP to reception@geol.sc.edu. It helps our planning.

Also, please drop by our booth at the convention. We are Booth#2622. It's over by the Food Court.

Looking forward to seeing you in Houston on the 7th!

Regards,
Camelia Knapp
